The Sailorettes started their 1946 season by defeating Arcadia on their home court and smashed through with victories in over two-thirds of their games, ending with a 31-18 victory over Punta Gorda, holder of the '46 SFC title.

Margaret McFadyen and Virginia Caldwell were chosen captain and co-captain, respectively, of the SFC team.

Cheerleaders

Polly Wilkins, Gerry Collins, Pat Royal, Jan Nash, Suzette Jennings, Virginia Dean, Virginia Michael, Tom Wellman, Vivian Faulkner, Dolores Molella, Nancy Williams, Connie Miller, Betty Anderson, Billie Barth, Harold Abbott.

Boxing

Team

Left to right, STANDING: Mr. David Chambers, coach; Jimmy Gaines, Louis Alderman, co-captain; Vernon Bass, Co-captain; Wesley Gibson, Wilbur Turner, coach. KNEELING: Jimmy Pennock, Herbert Goolsby, George Bayless.

The Boxing Team ended its season Friday, March 22, with a 5-3 victory over Fort Myers, the S.F.C. winners of the tournament held in Plant City, March 15 and 16. In these fights one of our boxers, Vernon Bass, made the S.F.C. team by defeating Bradenton and Plant City in the 151-160 pound class. The credit for the team's success goes to Wilbur Turner and Mr. Fred Chambers.

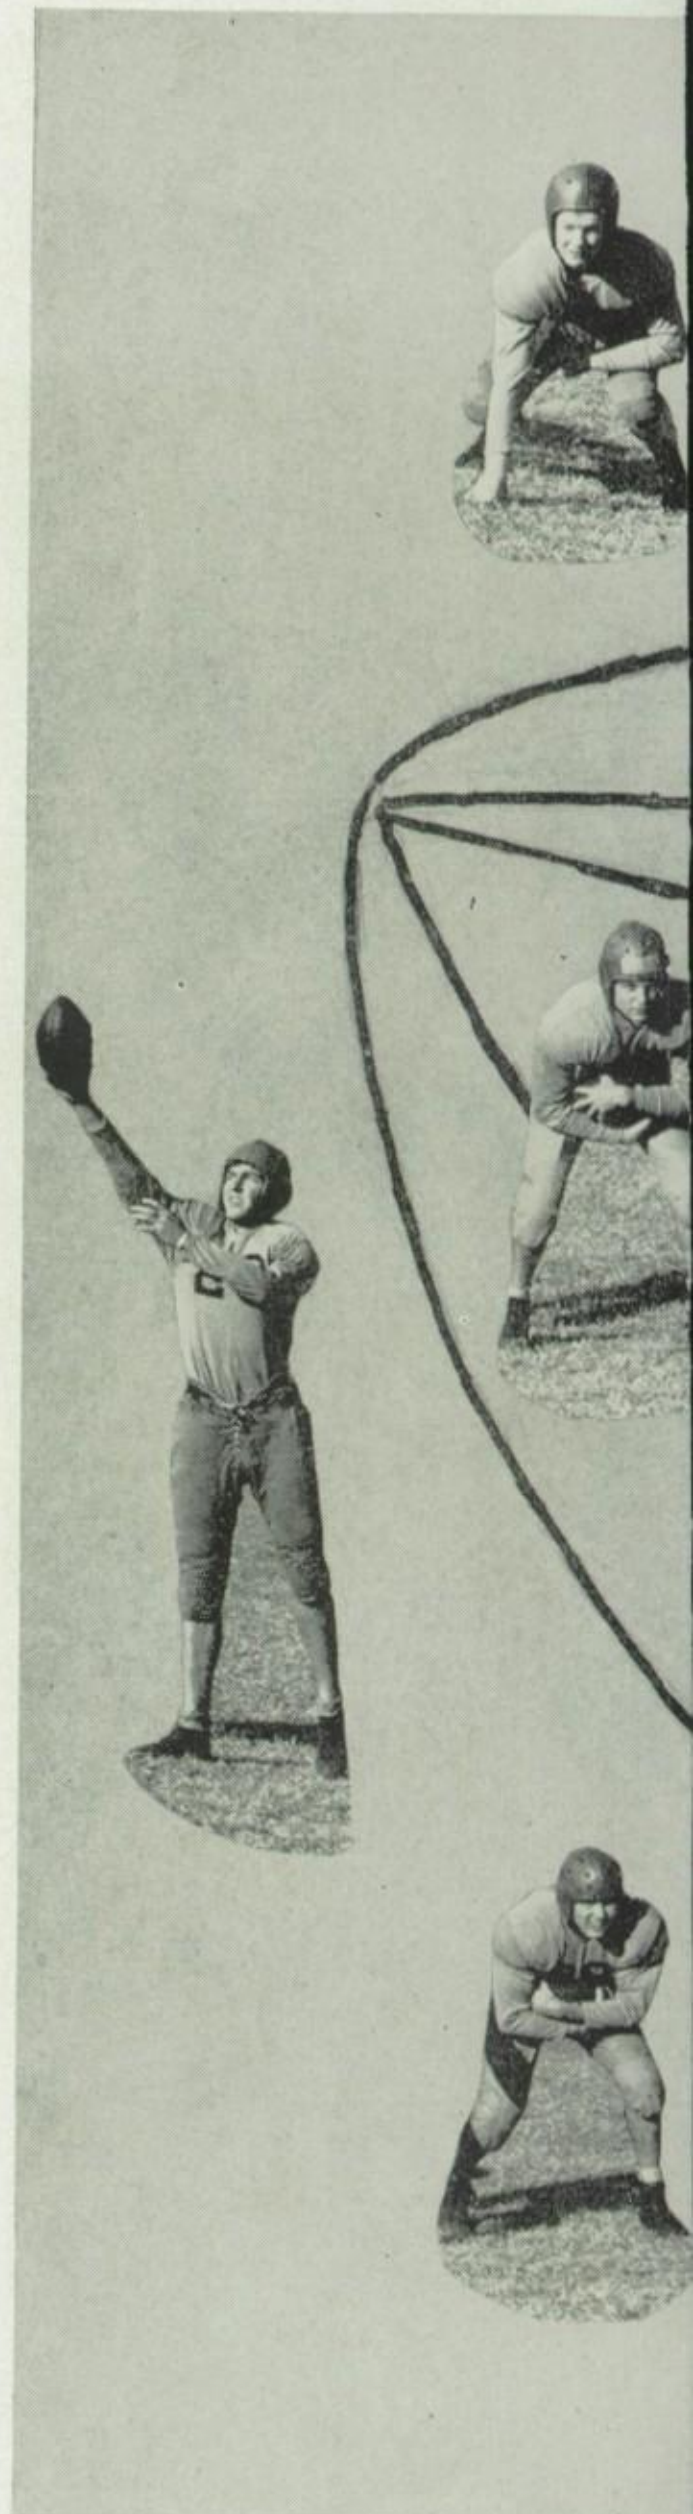

Football

The 1945 season was a mediocre one for the Sarasota Sailor team. They finished with a record of 3 wins, 5 defeats and 1 tie. Under the coaching of A. J. (Ike) Howell, the Sailors fought heavier and faster elevens to close scores. Plagued by injuries throughout the season, they scored in every game except one, that being a 13-0 loss to the SFC Champions, the Bartow Yellow Jackets. No team on their schedule trounced the Sailors in any humiliating fashion as they didn't lose a game by more than 13 points. The sailors placed only one player on the All Conference team. Rickey Mahoney, tailback, was selected by the coaches for a position in the second string backfield.

Team

The Sailor "B" squad gave Sarasota High School a good outlook for football teams of the future by completing the season with a record of 4 wins against 1 lone defeat. Although they did not have a fast or heavy team, the Tars outplayed and outfought their opponents in every game.

For the third consecutive year the Sarasota Sailor baseball team won the South Florida Conference championship. This season the team was seeded second but they came up with the old fight necessary to win, defeating the Palmetto Tigers in the finals, 7 to 2.

Starting the season with five straight conference victories, the Sailors met their only two defeats at the hands of the Bradenton Golden Wave, 3 to 2, and 5 to 4. In the SFC tournament, the Wave fell before the Sarasota batting power in the semi-finals, 9 to 7.

Three of the Sailors, Tom Brown, Charlie Hand, and Paul Eskew, captain of this year's team, were on the championship nine for the past three seasons.

Butch Brown, top-flight pitcher, won his second championship game in two years of hurling. Brown, a sophomore, should pace the Sailor teams to many more victories in the future.

Autumn

Autumn's here, and so soon! Back to the old grind reluctantly trod the new seniors to take their places among the more dignified group. The class was organized with Mrs. Mary Deal at the helm.

First on the calendar was the annual Sadie Hawkin's Dance in the gym. A motley crew of buck-toothed old maids dragged a still more ghastly lot of eligible bachelors over the finishing line to be "married" by Marryin' Sam Chuck Rice. Paul Eskew, Gloria Albritton, Jerry Roeber, and Chuck Rice walked off with the prizes for being the best-dressed Dogpatchers.

Back-to-School Night followed when the parents went through their children's daily schedules. Lost parents, tardy slips, hand-shaking, registering, and bewildered glances — that's Back-to-

the
"Winnahs"
at the Dogpatch
Trot

School Night.

With fall's burning leaves and hurricanes came the football season. Hard-fought games and pretty cheerleaders. Thrills and chills. The traditional Thanksgiving Eve game with Ft. Myers. Friendly rivalry at the well-attended Bradenton-Sarasota game.

So autumn passed into winter.

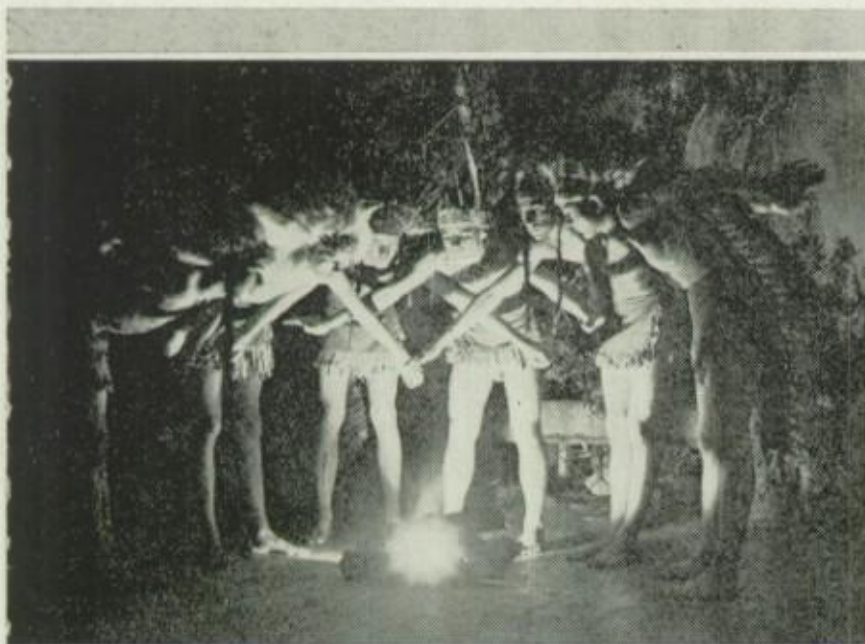

Winter, a time of hibernation. The bears and the seniors both went to sleep, the latter exhausted from the activities of autumn and resting up for those of spring.

The Dramatics season was full, opening before Christmas with "Green Light," a three-act play.

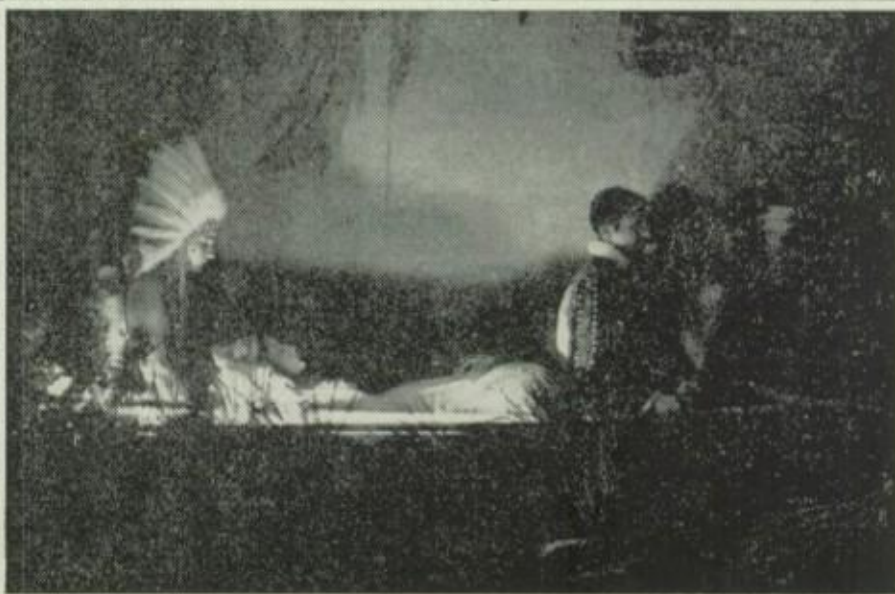

During pageant week when the community went Spanish the Dramateers presented "The Legend of Sara de Soto" at the Municipal Auditorium. This was followed by several one-act plays.

New Senior caps arrived to make the graduates more conscious of their "superiority." Underclassmen went around for days enviously staring at the black and orange.

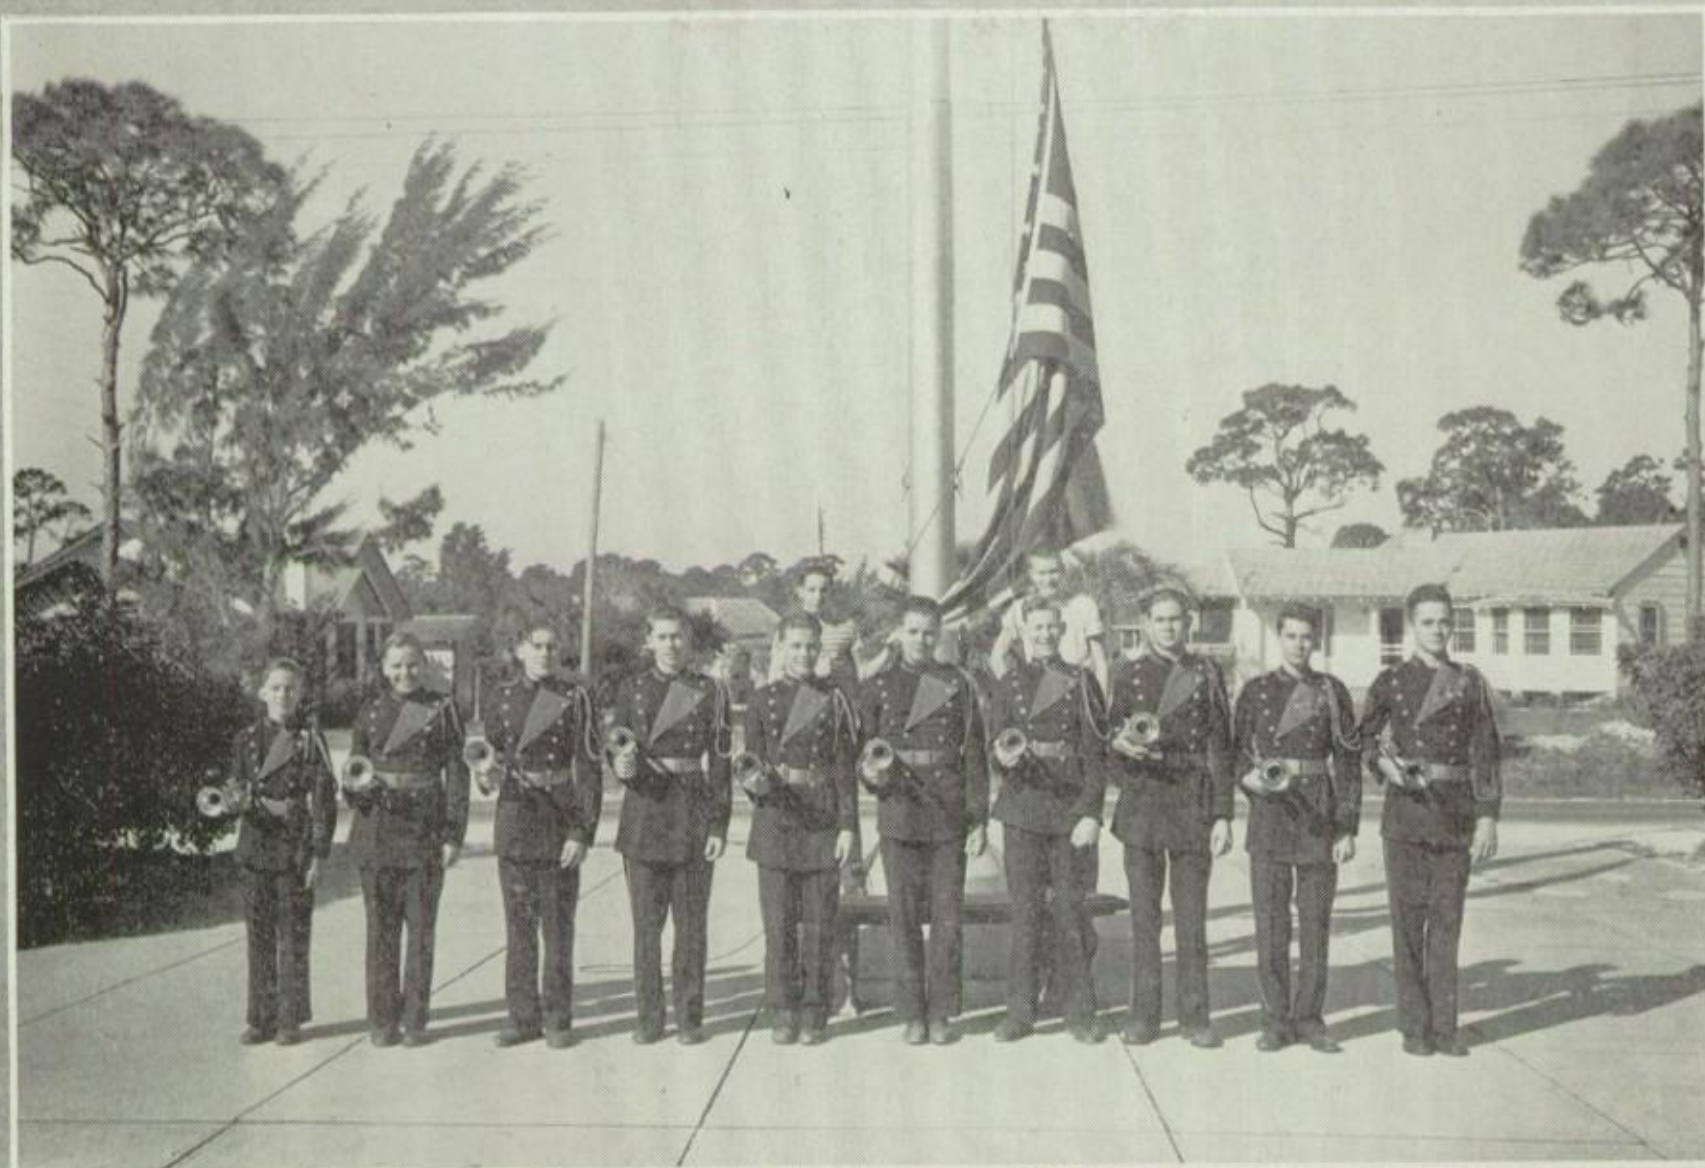

Another social event on the calendar was the weiner roast held by the seniors at the Sand Dunes.

Planning

And then came Spring ushering in Tacky Day when all seniors forget their dignity and appear in costumes strictly out of this world. After the annual April Fool's Day Parade on the front walk, the seniors skipped school en masse and spent the remainder of the day at the beach. Prize winners were: Jerry Roeber, Johnny Ingalls, Dimples Scott, Charles Rice, Gloria Albritton, Rosie Kickliter, Dick Wood and Frank Morris. Sunburn cases were plentiful the following day, but everyone agreed that the picnic was worth it.

Stunt Night, replacing the Senior Class Play, was enacted before the Sweetheart Time Court. Billy Dillinger and Virginia Dean were King and Queen and were attended by six maids and their escorts.

Slowly the day of graduation, May 28, was creeping upon the seniors, and in a last effort to crowd as much into the remaining time as possible they hurried through exams. (Really *final* ones for them.)

The Junior and Senior Prom burst on the horizon like a Big Top. The Juniors certainly worked hard to achieve such a charming effect with clowns and ballet girls and giraffes and lions and tigers and even the merry-go-rounds.

At the time this book goes to press the year is not quite over. The seniors are yet to receive caps and gowns and attend the Baccalaureate Sermon. Then down the aisle to "Pomp and Circumstance" to receive their diplomas from Supt. Kimbrough.

One last get-together at the Senior Dance and then—the Class of 1946 will be history.

Ouch!

We march! Tacky Day!

And how---!

IT'S YOUR FLORIDA!

Nowhere is opportunity greater than it is in Florida which, in many ways, is in the pioneering stage . . . rich with promise as reward for hard work and earnest endeavor.

Florida's sound economy is about to gain new strength as it begins to make use of its great advantages of location, climate, transportation, markets and materials to build its Industrial Empire.

You who are ending your educational preparation for life have the opportunity to share in the industrial growth of Florida. The work may be difficult, discouragement and failure may threaten the outcome, but the goal is worthy of the fight for as Florida grows and prospers, so will you grow and prosper for It's Your Florida.

As this yearbook, Volume 21, in the school's history of publications, records many happy faces and many more happy memories, just so the West Coast Army Stores of Sarasota wish for you, each any everyone, a happy future filled with still greater achievements and helpful associations with friends in the business world. We regard S.H.S. students as our friends, both in personal contacts and business relations. May our voyage together be a pleasant one!
